Preventive care is an important part of your health plan, and MVP Health Care[®] is committed to helping you improve your health and stay well.

With **Wellness Rewards**, you can earn \$75 when you work with your doctor to take steps toward better health!

1 **Schedule** a **Welcome to Medicare** visit or **Annual Wellness** visit to review your overall health, the medications you take, and any preventive screenings you may need.

This is your chance to talk to your doctor about:

- Your risk of falling
- Home safety
- Nutrition
- Hearing loss
- Bladder control issues
- Quitting tobacco

2 **Bring** the screening form on the back of this page to your visit.

3 **Receive all** of these preventive services:

- Welcome to Medicare visit or Annual Wellness visit
- Blood pressure check
- Height, weight, and BMI measurement
- Colorectal cancer screening (received within the Medicare screening recommendation—ask your doctor)
- Flu shot (for the current flu season—ask your doctor)

4 **Send** us the completed screening form, signed by your doctor.
