Wellness Rewards
for Medicare Advantage Plan Members

Preventive care is an important part of your health plan, and MVP Health Care® is committed to helping you improve your health and stay well.

With Wellness Rewards, you can earn a $75 gift card when you work with your doctor to take steps toward better health!

Schedule a “Welcome to Medicare” visit or “Annual Wellness” visit to review your overall health, the medications you take, and any preventive screenings you may need. This is your chance to talk to your doctor about: physical activity that’s right for you, your risk of falling, home safety, nutrition, hearing loss, bladder control issues, and quitting tobacco.

Bring the screening form on the back of this page to your visit.

Receive all of these preventive services:

• Welcome to Medicare visit or Annual Wellness visit
• Blood pressure check
• Height, weight, and BMI measurement
• Colorectal cancer screening (received within the Medicare screening recommendation—ask your doctor)
• Flu shot (for the current flu season—ask your doctor)

Send us the completed screening form, signed by your doctor.

Get your $75 gift card* in the mail from MVP.
