MVP REQUESTS YOUR FEEDBACK: **ICD-10 READINESS**

MVP Health Care is preparing for the transition to ICD-10 in 2014. We are interested in our participating health care providers' progress toward ICD-10, also. Please complete our short online survey about your ICD-10 readiness. Simply go to www.mvphealthcare.com/provider and click the ICD-10 readiness survey link on the right side of the page. Your feedback will help us implement education and outreach to help our participating providers as we all get ready for the October 2014 adoption deadline set by CMS. We appreciate your time!
