

BYRAM HEALTHCARE PREFERRED MEDICAL SUPPLY
VENDOR EFFECTIVE MARCH 1, 2014

It is important to MVP Health Care® (MVP) that you are aware of changes that may affect your patients. To prevent increased out-of-pocket cost to your patients, we ask that you begin referring MVP members to our preferred medical supply vendor, **Byram Healthcare at 1-877-902-9726, ext. 33999** to fill their next order.

Byram is committed to providing the right product at the right time to your patients. MVP members will benefit not only from Byram's high-quality products but also from reduced co-insurance through our preferred pricing.

Beginning **March 1, 2014 Edgepark Medical Supplies** is no longer a participating medical supply vendor with MVP.

We would like to remind you that MVP requires participating providers to only direct their patients to participating providers for referred services.

We appreciate your attention to this important matter and look forward to assisting you in any way we can to ease the transition from Edgepark to Byram.
